Secy. Commercial Club.

Dear Sir:

Under separate cover I am sending you a few bills announcing the Alfalfa Festival and Flower Show at Artesia during the month of Oct. 1914.

We are very anxious to have your people come and see what grows around Artesia and at the same time would be glad to have them bring any exhibits they would care to enter in the exhibition hall. We will make room for them and be very glad to have them.

Southeastern New Mexico needs more co-operation among the people in every way. Come and get acquainted. The business men, farmers, and stockmen, should get closer together. There are many things we can do in a united way, that we cannot do separately.

We know that fine farm products are grown in your vicinity and we would be glad to have some of them. We will give them space and tell where they are from. Also any fruits that you care to bring.

Please place these bills where the people can see them. In the store windows etc., and tell the people about the big time that will be held at Artesia. We are going to have a big stock show that will be worth seeing. We will appreciate your co-operation, and want you to extend an invitation to all your people.

Very truly yours,

Walter M. Daugherty, Secy.

Midway Breezes

Health of community good. The farmers are very busy gathering crops which are much better than expected! There will be a surplus of feed in these parts. Some of our farmers always have some feed to sell.

Grass and stock fine. Some have sold their calves, but the buyers are out of the market for a while on account of the war.

T. C. Herrington and family have gone east to work.

Dr. W. L. Covey's folks leave the 14th. for eastern parts.

The people south of Midway are building a new frame school house, which will add much to our community.

Midway's singing class took the banner at the last singing convention at plainview. All had a huge time and were royally entertained.

The Stork visited the home of Wylie Doran's and left a fine boy. Mother and child are doing well.

We are in need of a good rain to revive winter grass though it is fine now.

Windy.

Statement By

W. L. Woodwell,

I am familiar with the libel law of the State of New Mexico. I make this statement with full knowledge of said law.

Whoever testified before the Grand Jury that I "refused to buy supplies from this supply house (Geo. D. Burnard & Co. of St. Louis, unless I was presented with a filling cabinet and law book stickers for my private office free of charge, which requirement the said supply house agreed to, and furnished the cabinet and stickers referred to, but by doing so, charged more than the regular price for the supplies furnished the county, thereby causing a loss to the tax-payers of the county for such amount overcharged, is an unprincipled and malicious liar.

I have moved the District Court for an investigation of this matter, and until the Committee reports feel that it would be improper to make a further statement.

Later the people of Eddy County may be told some of the motives behind this Grand Jury report.

I have sent a copy of this statement to every newspaper in the county, and requested that it be published over my signature and at my expense.

W. H. Woodwell.

Eugene Price who has bought a Lovington home from Wesley McCallister, has made substantial addition thereto, and had placed one of Beckwith's efficient talking boxes, the indispensable telephone.
